Dear Bong PUTHI,

I'm writing to submit the finalized **User Acceptance Sign-off** documents for the following guidelines:

1. **BEO Guideline – Version 2.1.0**
2. **CRM Guideline – Version 2.0**

Both documents are prepared for formal user acknowledgment and sign-off. They include clear checklists and signature sections to ensure users have reviewed, understood, and accepted the contents of each guideline.

Please find the documents attached for your review. Let me know if there are any revisions.

Regards,
Piseth
