Tip: You can also access assigned requests from the clock icon (top-right corner). Click **Today** to see requests that need your attention.

Request Statuses

Status	Meaning
Draft	Created but not yet submitted.
Waiting Approval	Pending manager or HoD approval.
Approved	Approved by manager or HoD; pending HR review.
Closed	Reviewed by HR and closed.

Notifications

You receive a notification when a request is submitted, approved, rejected, or sent back for rework.

Track Request Progress

Open the request and click **View Flow** to see a visual summary of where it stands in the workflow.

Delegation

If you need someone else to handle an approval, you have two options:

- Redirect** — Transfers full approval authority to another person. The request is removed from your queue and assigned to them.
- Share** — Adds another approver without removing you. Both of you can view and act on the request.
