

Honestly Award User Guide

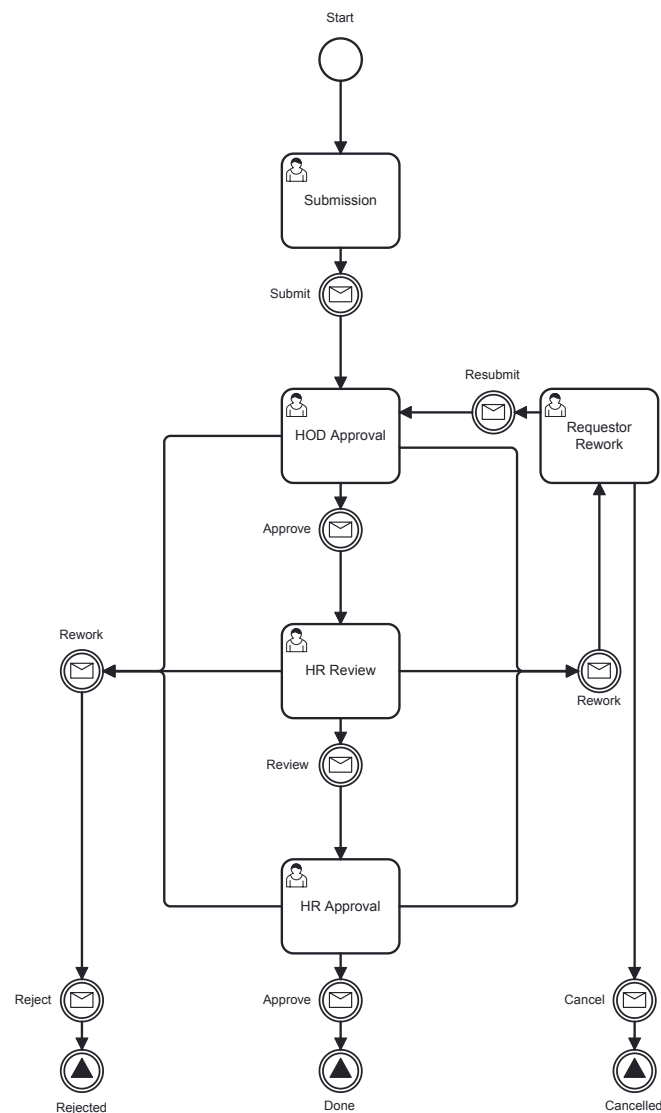

This guide explains how to create, review, and complete Honestly Award requests in the Workflow application.

Who Uses This Guide

This workflow involves the following roles:

- Employee: creates and submits a request
- Manager or HoD: reviews and approves, rejects, or reworks the request
- Admin: reviews, approves, or issues requests when required

Workflow Process

Access the Workflow

1. Sign in to the system.
2. Open the Workflow app.

You can also open assigned requests from the clock icon in the top-right corner. Select **Today** to see items that need action.

Notes

Status Explanation

Status	Meaning
Draft	The request is created but not submitted.
Waiting Approval	The request is waiting for Manager or HoD review.
Approved	The request is approved.
Rejected	The request is rejected.
Reworked	The request is returned to the requester for updates.

Notifications

Users receive notifications when a request is submitted, approved, rejected, or reworked.

Track Request Progress

Click **View Flow** to see the request's workflow progress.

Delegation

There are two delegation options:

1. **Redirected**: Transfers full approval authority to another person. The request leaves your queue and moves to the selected approver.
2. **Share**: Keeps you as an approver and adds another person to help. Both can view and act on the request.
